About Tanzeel

Tanzeel was established by concerned parents who were looking for an afterschool class specialising in delivering high quality Tajweed and Hifdh blended with Islamic studies addressing issues facing the younger generation living in the West while at the same time focusing in nurturing the Islamic characteristics and morals within the students.

About this book

This book is to inform teachers and parents on what supplications, chapters of the Qur'an and Kalimas to teach in Level 1 at Tanzeel. At this stage students will be learning their alphabets and not be able to read this book.

In class, the teacher will read out to the students and the students will repeat after the teacher. In this manner they will memorise the whole book. The teacher will listen to them and correct their pronunciations and have a system of revision to ensure students retain in memory everything they have memorised.

At home parents will be guided by the teachers and be able to assist their children with revision. Dua CD 1 when available will also be of assistance and accompany the book.
